

## 2019 Tasar Victorian State Championships

9<sup>th</sup> March – 11<sup>th</sup> March, 2019

On behalf of the members and committee of Somers Yacht Club, it is my pleasure to welcome Tasar sailors, family and friends to our village of Somers on Western Port Bay.

Somers is on the "quiet side" of the Mornington Peninsula, just over an hour from Melbourne. There is a café in Somers but no shops, pub or takeaway food. That's all available at Balnarring, 10 minutes away by car or 30 minutes on a bike track. There are houses to rent in Somers through all the normal outlets, cabins at the Somers Holiday Park or camping 10 minutes away at Balnarring Beach. If you are stuck, Pat Pedicini is also organising some billets with yacht club families.

We are an all-volunteer off-the-beach club. Our army of volunteers has developed a reputation for running fair, safe, competitive racing and I trust you will find us friendly and helpful too.

The club is in a bush foreshore setting but our large clubhouse has all facilities including good access for all and there should be a great view of the racing.

We will have coffee, snacks and lunches available at the club house on Saturday, Sunday and Monday – and the bar will be open. As well as Saturday's welcome BBQ, you may also like to join our weekly Friday night dinner in the clubhouse (details to follow).

We'll make room for your boats in our secure yard and we'll have the yard open for you from 3:00 pm Friday. Call me if you need earlier access. Trailers get tucked away behind our boatshed for the duration because the yard and the carpark will be FULL.

We look forward to sharing our club, our water and our wind. Good sailing!
