Arrangements for the Adelaide Nationals, December 29th to January 4th at Adelaide Sailing Club (ASC) are well advanced. Luckily as the big day is almost upon us. As you have seen, the Notice of Race has gone out in the last newsletter with the entry form (ed. Also attached to the end of this newsletter). These are also available on this site for you to download and fill out and complete. If you haven’t entered and are planning to - you had better do it today. Make sure all your details are included especially things like your YA number and T-shirt sizes and how many extra tickets you require for the various functions. The fleet size has been estimated at around the 60 boat mark and we are very nearly there.

ASC have a very experienced race committee and are looking forward to our championships. The Race Officer for our series also assisted with the Phuket worlds to ensure he had a great insight into what the Tasars expect from a series. Due to the estimated
fleet size ATC have advised that there is now no need to provide any provision for the splitting of the Tasar fleet into separate divisions - so it will be big fleet racing at it’s best for you to enjoy.

Presentation Night Entertainment. Taking a leaf out of the ATC’s Thailand book we are asking you to provide the entertainment again. Each State is required to enter an act of some kind to entertain their fellow sailors with. You can do anything you like whilst working a Tasar / sailing theme in there somewhere of course. Have a look at our Social Events page for more information.

We are pleased to name our sponsors for the Regetta. Orlando Wines, Natures Own, Ego Pharmaceuticals, Mako Eyewear, WorkPac Industrial, Macquarie Private Wealth, Coopers and of course Ronstan will ensure a rich and varied supply of prizes and support to the series and we thank them them very much and urge you support them too. We are looking forward to working closely with our sponsors through the series and with you all to ensure you have a great time at these Nationals.

See you at the Nationals!
Adrian Nicholson

Since the last ATC newsletter the Western Australian Tasar sailors have collectively rolled over, ordered a strong flat white and crawled out of hibernation. There have been 4 TAWA try and participate events already this year including; RPYC opening day, Indian Ocean Classic, the RPYC Mini-series and the TAWA Handicap racing day.

The first event of the season was the RPYC opening day. With all of the pomp and ceremony RPYC could muster, the important people were dressed in ice cream suits and the starting cannon was fired to open the 07/08 sailing season. A small fleet of Tassars took to the water in champagne sailing conditions which was a lovely way to get back on the water and start the season. The party afterwards was loud and fun with crazy dancing until all hours.

The second event of the season was the Indian Ocean Classic held at Fremantle sailing club. As per tradition it blew dogs off chains and even some boats off their trolleys overnight! Saturdays racing was cancelled due to the poor weather. By Sunday the weather had moderated slightly so onto the high seas we ventured. There was a large swell and heaps of wind which meant that the downwind legs were just awesome but the upwind legs were hard work. After three races the Tasar fleet were ready to call it a day. This regatta has proven itself year after year to be a good test of crew and equipment fitness as the season begins.

The third event was the RPYC miniseries with 96 boats in attendance. As usual the event ran very smoothly and a large amount of credit is due to the Hansen & Morris families that put in so much effort so that we could all go sailing. A big thank you to those families for that time and effort. The winds were gusty and shifty, proving frustrating for a lot of competitors. So often it seemed that we snatched defeat from the jaws of victory. Mark Stowell and son William chartered the association boat for this event and put in a very strong showing. The rest of the fleet comprised of the usual suspects, Bungarra, Spinifex pigeon, Mystic rhythms and Rattle & Hum.

The next event was the TAWA handicap racing day. A fleet of 8 boats contested the highly scientific and very windy handicap racing to see who was the fastest in the West (comparatively of course). Kayne provided some coaching to the boats first off the mark, while Stephanie (a Tasar visitor from FNQ), Annette and Louise worked through the 15min starting sequence. The sailing discussion afterwards seemed just as valuable as the time on the water as the more experienced Tasar sailors shared their knowledge (and a beer) with class & sailing newcomers. Roger Best was in particular need of a beer following his trip to the after hours doctor to put 7 stitches in his head after being hit by the boom at the gybe mark!

Coming up on the WA Tasar calender is the Pre-Christmas party at RPYC and of course the Adelaide Nationals. The W.A. states will be held on the Australia Day Long Weekend (excluding the Saturday of course) visitors are more than welcome, we even have a spare charter boat, but you will have to be quick! The Tasars will be attending the Mandurah Easter regatta this year instead of the traditional Bunbury Labour day Long Weekend Regatta.

There have been some comings & goings to & from the fleet makeup this season. The 3rd member of ‘Episode ?’ (AUS 2333) made an entrance onto the Tasar scene a few months ago Congratulations to Will & Rachel Patterson on the birth of their daughter. Lloyd Edmunds and Annette Pickles of ‘Every dog has its day’ (AUS 2454) have gone to seek their fortune in Dubai but will be joining us at the Adelaide Nationals during a short break back in Aus. Warren Morris of ‘Flasher’ (AUS 2788) along with Annette will soon be driving around Australia with their trusty tent and unfortunately missing the second half of the sailing season. Kate and Roger Best in ‘Spinifex Pigeon’ (birds which are known for short bursts of fast movement AUS 2061) have joined the fleet and are getting the hang of the Tasar. Uli and Thomas Striega in ‘Kismet’ (AUS 2334) are getting the hang of the Tasar and in the past few weeks have joined the fleet on the race course, well done guys. Aside from that though all of the usual suspects are back on the water, although we did notice that the mini chief is sporting some extra bling bling!

BTR Out!
Tasars in the Nation’s Capital

The 2007 Capital Insurance Dinghy Champs saw a healthy role up of 10 interstaters and 7 local boats for racing over the weekend of the 24th and 25th November.

A successful twilight series on the Friday evening saw 5 short races completed in what turned out to be the best breeze of the weekend and all who participated got some useful practice in before the main event.

Saturday was a tough day at the office by any standard for sailors and race officials alike.

There were some stronger gusts to 2.5 knots and the scheduled two races were completed with Daz Bentley & Chris Darby taking out line honours in both races from Rick Longbottom & Andrew Foulkes and Rob & Nicole Douglass.

With the top five places going to the favourites it was a battle of endurance in the mid fleet with some close racing with the Sydney boats and friendly banter making it interesting. The day was rounded out with the traditional Champagne and cheese before the dinner.

A good Tasar turn out at the dinner with almost everyone showing up reaffirming the class’s strong “social” label.

Day two didn’t have the same blustery 2.5 knots that we saw on Saturday but we still got one race out of the way.

Saturdays form boat “Pigs can fly” got a less than perfect start finishing 7th for the race and 2nd overall on count back from Rick Longbottom for 3rd allowing Rob and Nicole Douglass who once again showed their class improving their position in every race with a 3rd, 2nd and 1st to take out the title.

Over the weekend we also ran a concurrent handicap event which was taken out by Paul Neal and Kirsten Lea from Ross Hyde-Smith and his daughter Madison in second and Chris Parkinson and Nicki Callander for third.

Special mention must also be made of new comers Lennin and Bronwyn Jackson in Dead Calm, having only completed two races prior to this event did well under trying conditions improving throughout the regatta (all the hard work will pay off guys!).

The wind did not blow for us this time but we received very positive feedback about the Regatta and the professionalism of the operation in general. So, on that note, thanks to everyone who helped out both on and off the water.

Andy Cumming

A huge thanks also to Andy and Ange Cumming who organised the Tasar side of things on top of assisting in the overall running of the regatta. All the Canberra sailors had sailors stay in their own homes for the weekend! Thanks on behalf of all the sailors who came down for the weekend.
WANNABE IN BELMONT

On the 10th and 11th December, Tasars headed out from Belmont 16 Footers Club (my home club) to enjoy the racing at the first Bethwaite Series for the 07/08 Season.

The first day was one of those tricky days - and when at a Bethwaite looking around at things like 29ers and 49ers, you are happy that you don’t have to add a trapeze into the mix. The Tasars handle that dodgy stuff so much better then other classes.

The first race - that was set to be the Travellers Trophy 2 for the season was abandoned, however, no one knew until the following day. In the other two races, Quirky and the Dougli took the guns.

The second day was better for all out on the water. The NE got in early. Phil Thompson couldn’t help himself and got out on a Tasar with Andrew Foulkes up front. Every heat was won by a different boat again, with the Wilsons, Dougli, Jeff Mepham and Phil Thompson taking out the remaining races.

The Dougli jumped the gun in the last race - leaving them to take third for the regatta, the Wilsons came in second - and team Trouble were victorious overall for the weekend.

Daz and I did really well at the ACT Titles on the 24th and 25th in Canberra. But as for Belmont, I was back in a different pack so didn’t see much of the Tasar action - I was in one of the boats where I wished I didn’t have a trap on Saturday - my 29er to be precise. I was struggling to find a name. She is now known as Wannabe.

I have realised that I Wannabe sailing a Tasar all the time.

I’ll be back for Easter.

Chris Darby

(inspired by Nicole Douglass)
Rivoli Bay, SA
doesn’t always look like this…

The Rivoli Bay regatta was scheduled once again for the Melbourne Cup weekend earlier this year. It is a beautiful spot and those who’ve been there before will tell you it’s one of the best Tasar events in the calendar - for the social life, the crayfish, the 4WDing and not least the racing.

Unfortunately not so much so this year! Tasars travelled from all over Australia only to be flouted by the weather - gale force winds forcing racing to be cancelled on both days.

At least you still got your crayfish!

30 Tasars & an Engagement - Jervis Bay is Magical!

The Jervis Bay Regatta on October Long Weekend (29th and 30th September) was a hit again this year both on and off the water. A new record was set with 30 Tasars coming down for the racing.

You can find all the results via the States > NSW tab on the Tasar home page.

Chris Darby won the 1st TT of the year on 2345 with Darryl Bentley p front.

1st  Rob and Nicole Douglass on Scribbel - 5 points
2nd  Jeff Mepham & Matt Fitzgerald on Freya - 8 points
3rd  Michael Quirk & Maurise Hannaford on Trouble - 14 pts

Now for the really exciting news!

Nicole Kidman and Stu Templeton, the Tasar sweethearts are finally engaged.

In true style Stu proposed after the first afternoon of racing at Jervis Bay on the water on his birthday - the 29th September. The ring got to do a few races in a 17 knot westerly before finding a home on Nicole’s finger. Yes she said yes, even though she did think it was “incredibly irresponsible to carry a ring out on the water” her reply when the ring was produced. This followed the actual proposal, which involved the traditional “Will You Marry Me” gracefully followed by “$+@# we have to tack!”.

We wish them all the best on the water, and with each other!

Tasars in shades of pink for Breast Cancer

Saturday 27th October was a picture perfect day on Sydney Harbour for the Ahoy Pink Ladies event hosted by the Tasar Association of NSW (TANSW) to raise funds for the Breast Cancer Network Australia (BCNA).

The Tasar fleet went out to enjoy a great day on the water, for a great cause. The sailors really got in the spirit wearing pink cow boy hats, bandanas, and feather bowers. One entrant even went to the trouble of painting their boat pink.

Boats sailed from Balmoral, Woollahra and Northbridge, with pink lady logos on their bows, and pink streamers flowing from their sails and rigging. The fleets met at the heads before progressing together to Watsons Bay for a chicken and Champagne picnic.

Tasar sailor Jennifer Ramsay was supported by the BCNA, during her own cancer treatment. The BCNA are best known for the Pink Ladies on the Field event. This involvement initiated the idea of the TANSW hosting the Ahoy Pink Ladies event.

“Thanks to the BCNA I have made it through the toughest time of my life. The My Journey kit and website were fantastic resources. I’m not sure how I would have managed without them. I can’t wait to celebrate my survival of Breast Cancer with all my Tasar sailing mates”, said Jennifer.

A large proportion of women make up the Tasar fleet which makes support and awareness of Breast Cancer and therefore BCNA services particularly relevant.

Close to $2,000 was raised on the day. In return participants were entered into a prize draw where prizes included a Mylar jib from Bethwaite Design, Zhik hiking straps, a night for two at the boutique Diplomat Hotel, and SLAM clothing from sailing training and charter company Eastcoast Sailing.

Major sponsor Hales Douglass supplied the lunch and bow stickers for participants and Doyle Australia assisted with dressing the boats in pink.

The TANSW hopes to make the Ahoy Pink Ladies event an annual occasion following the success of the day.
