

Accommodation

Hi Sailors,

While there are not a lot of accommodation options in Toronto itself, there is a good selection of accommodation within 10–15 min drive. When doing an on-line search however, note some booking sites favour as-the-crow-flies distances from Toronto not road distances! So avoid locations such as Belmont, Swansea, and Murray's Beach which are on the far side of the lake!

Most of the accommodation shown below are within 15 min drive of the sailing club. Distances from the club are shown.
