## **President's Report**

Doesn't seem that long ago we were travelling back from the Adelaide nationals and yet it is time to saddle up for the 36th Australian Tasar Championships at McCrae. It was interesting to hear from one quarter to expect 'light' conditions during the event. I wouldn't be so sure and if the last month's club racing at McCrae is anything to go by, better to come prepared for a bit of everything.

This is my last President's report as both Paul Ridgway and myself will be stepping down from our ATC positions at the next AGM. Nominations for both President and Secretary need to be forwarded to Paul prior to the AGM if you are interested in taking up one of these roles.

I'd also like to publicly thank Paul for all the work he has done on the ATC, particularly in relation to the organising and running of the Phuket Worlds. The ATC has never been in better shape financially or administratively thanks to Paul's careful stewardship. Thank you also to Alexandra Almond for taking on the Newsletter Editors role. She does a magnificent job in performing what is often a thankless task.

A quick tip of the hat also to Nicole Douglass. From the outside looking in, the NSW Association appears to be going through a resurgence of participation and interest. I don't know if it is coincidental but Nicole has initiated much communication amongst NSW members through her weekly Thursday night forum posts and monthly online newsletters. It seems like the resurgence largely coincided with the boost in communication. Maybe an interesting topic for conversation at McCrae about how to bolster participation amongst association members and Tasar sailors generally. Well done Nicole.

Hope to see you at McCrae in a few weeks time.

Jonathan Ross President, Australian Tasar Council

## Unibilt Australian Tasar Championships 08-09

### McCrae Yacht Club 28 Dec 2008 to 3 Jan 2009

Unibilt Australian Tasar Championships 2008-2009 McCrae Yacht Club, Victoria

### Welcome to the Unibilt 36th Australian Tasar Championships.

McCrae YC is on the southern shores of Port Philip Bay and with so much to see and do locally, we are expecting it will be a great event both on and off the water. The event will be held between 28th December 2008 and 3rd January 2009.

McCrae is only 70 minutes south of Melbourne via the freeways linking the city to the Mornington Peninsula. The Peninsula is Melbourne's playground and offers an incredible variety of things to see and do. Gourmet food, wineries by the dozen, magnificent beaches (both ocean and bay) plus natural attractions everywhere.

Accommodation over the holiday period can be a little tight, so to counter this and create an "all in" atmosphere, we have organised a Tasar only camping area in Section 10 of the Rosebud foreshore camping reserve. There will be 45 camping sites available on a first come, first served basis. Think of it as like Yarrawonga (for those that have been to the Vic States) but on the Bay.

It is also the intention to run this regatta as a very affordable event keeping the entry and accommodation costs as low as possible. Entry fees for the regatta are \$430 for Regatta entry including camping fee, or \$300 for just Regatta entry (no camping option).

The online entry form is now available: http://www.tasar.com.au/index.php?option=com\_netinvoice&action=orders&task=order&cid=1&Itemid=178

Entry fees will include the usual entry for crews to the social functions planned and something a little different in the way of regatta apparel.

For those who attended the Mordialloc nationals some year back, you might remember the great social events planned by Alexandra Almond and her partner, Peter. Well they are back onboard again to plan more fun and merriment and make the social events a highlight of the regatta. The key being getting all competitors mixing and socialising at the start of the regatta, not just getting into the swing of things when its time to go home!

### NSW update cont.

### Canberra Sprint Series - They Came for the Cash!

We all came, and there was wind for the Canberra Sprint Series and part 1 of the NSW Short Course Series.

14 boats hit the water in a tricky norwester that kept all on their toes - not to mention the other 6 or so divisions of boats that were on the water :) Craig and Mel Davidson, newbies to the class showed their speed and local knowledge - look out when they are in their new boat!

As usual the Canberrans were above and beyond as hosts for the weekend. Thanks to all for your hospitality, and the CYC for hosting the racing!

Some stuck around for the club race on the Sunday where 85 boats took to the water! Amazing!

If anybody doesn't currently receive the NSW Update (circulated at least monthly) and wants to, please email <u>nicole\_douglass@hotmail.com</u> or go to the website to subscribe

### **Belmont Bethwaite Series - Blown Out**

Well what an awesome turnout!!!

Unfortunately, only five boats left the beach the whole weekend, two broke masts, and two had some other form of damage! Needless to say the weather on the 22nd and 23rd November was extraordinarily windy. The social at the 16's on Saturday night was a great way to get to relive the days events.

With no racing - TT2 will again be void for this year.

Quirky & Maurise, and myself and skipper Phil Thompson managed to break bottom sections off at the spreaders! Phil and I had a great time sailing back to sure from above the top mark without any sail power! Surfing waves! That is possibly a good indication of just how windy it was!

Thanks to all for travelling up for the event, especially the Port Macquarie representatives, awesome effort! Thanks also to Bethwaites for their organisation, unfortunately there is nothing they can do about the weather!

### NEXT UP - Port Macquarie Weekend

31st January and the 1st February, set to be a great event yet again!

Racing on Saturday at Queenslake, and on the Sunday at Port Macquarie. Stay tuned next week for details.

The Mecure in town will be offering some great deals including a continental breakfast each morning, due to an insider (our Treasurer Andrew Finney) being an owner. It is looking like we will also have the social on Saturday night at the Mecure as well.

### NATIONALS - Team Tshirts Anyone???

Important stuff for the Nationals - the Committee is in the process of designing a team shirt for those who are going. Always great to wear to the opening night drinks etc and be part of a team! Hey who doesn't want to show those other States just how great we are.

If you are keen for a shirt, please reply to this email and indicate the number of shirts that you would order.

It is looking like the will be just over \$30 each, but the more shirts we order, the more the price will go down!!!

### They're Multiplying!

Shane and Jeanette Guanaria, Harley and Trish Kruse, Josh Faddy & Louise, Jeff Mepham and the Dougli will all have new boats come out to play in the next few weeks! Fantastic to see!!!

### Wedding of the year!

Congratulations Nic & Stu - a marriage made in Tasars! By all accounts it was a great day in Darwin - the ceremony on the sandbar, and the reception at Pee Wees on the Point.

### South Australian report

No rest for the wicked. Things have been pretty busy over the Winter months. Our general motto - 'Max numbers sailing and having the Max Fun' has worked for many years now and numbers continue to build. The Port Pirie fleet has been a big success story with numbers building from 1 to 6 in the past 4 to 5 years. We'll be having a State Heats weekend there in early December.

Somerton YC continues to be our stronghold in Adelaide but we now also have one boat each at Largs Bay, Brighton, Grange and Henley. At Somerton we have 19 boats on the books, all regular sailors, which gives us some great racing.

The boat to beat of course, is More Small Things and Craig and Gill have again brought a lot of kudos to Somerton, SA,

South Australians hard at work on their new boats

and Tasars in winning the SA Sailors of the Year. Gill received the award (we now know why they need such a big house) at a glittering night at ASC, while Craig was keeping the world's energy supplies coming on the North West shelf.

We're again putting much into our training at SYC. As well as the usual ten minute pre-race talk on How to Setup and Sail Your TASAR for Today's Conditions, in 2008-09 we are using a Buddy System - basically an experienced, well-performed Skipper and Crew being responsible for training 1 or 2 less experienced Skippers and Crews. Melissa C and Adrian N have taken this original idea and embellished it to the stage of Gladiators with much fun in-built.

We're extremely happy to have bought 5 of the 28 new Australian boats. What a huge vote of confidence in our great class.

Hope to catch up with many of you at McCrae.

### **Tasar WA report**

Thanks to Immediate Past TAWA President Bart Thompson and Secretary / Treasurer Sharon Thompson.

Bart has been the President of TAWA since the fleet moved from MBSC to RPYC in 2000, mostly with Sharon Thompson as Secretary & Treasurer. Since Bart & Sharon started in their roles a lot has changed and happened within the WA Tasar Fleet, they have seen...

- Fleet numbers fluctuate but overall grow from 5-6 Tasars to 10-12 Tasars in one fleet.
- Members come and go. Aside from Bart, Sharon, Warren & Matt Morris there are no other current TAWA members that were sailing Tasars at that time!
- TAWA host a successful National Championship and numerous state championships.
- The importation of boats from the East to meet the demand for more boats
- The introduction of mylar sails. And now...
- The spreading of Tasars to Fremantle Sailing Club, Mandurah Offshore Fishing and Sailing Club, Broome Sailing Club, and Port Hedland Sailing Club, which is great opportunity to grow and spread the class within regional and metro areas.

Bart & Sharon have clearly put a lot of effort and thought into TAWA over the past 8 years and their efforts have gone well above and beyond the call of duty. Congratulations on your achievements, and from the WA Tasar community, thank you both very much!

#### Introducing the 08-09 TAWA Committee

President: Scott Olsen 'Rocky Ride' Secretary/treasurer: Kayne Binks 'That's Kool' Measurer: Mark Hansen 'Tasarback' Social Secretary: Kate Best 'Spinifex Pigeon' Publicity: Julie Meehan 'Rocky Ride' RPYC Rep: Roger Best 'Spinifex Pigeon' FSC Rep: John Whittington 'Part Time' MOFSC Rep: Brad & Kelly 'Lovers & Sinners' North West Rep: Mike Forbes 'Dynamic'

#### This Season So Far...

This season has seen several new Tasar owners take to the water! Brad and Kelly from Mandurah purchased Tasar 1883 'Lovers & Sinners' (but who is who?) and have been sailing regularly with the mixed dinghy fleet. Mike & Jenny Forbes and Steve & Nic in Port Hedland have purchased 2 Tasars to form the beginning of a Port Hedland Fleet. They will all hopefully join us in Perth for the states in the second half of the season.

Uli and Thomas have just started racing in their Tasar Kismet at RPYC! They have shown great perseverance and patience in learning to sail and should be congratulated on their first race! Their first start they found themselves a little far from the line at the go signal. After some advice from Kayne to hang around near the start boat their second start was an absolute screamer, heaps of pace, and at the right end of the line, but also unfortunately OCS! Subsequent starts saw them get into the swing of things. Well done Guys.

#### Indian Ocean Classic: Fremantle Sailing Club

The event known as 'the annual battering' this year served up some excellent sailing! 10 to 15knots from the South with some sea swell to make the downwind legs interesting. Unfortunately only Rocky Ride, BTR & Part Time could enjoy the conditions. It came down to the last race to decide who took home the bounty between BTR and Rocky Ride with Rocky Ride triumphant in the end.

#### Mandurah Offshore Fishing & Sailing Club Race

Part-Time, Rocky Ride and BTR recently travelled to MOFSC to join Lovers & Sinners for an afternoons racing on the 15<sup>th</sup> of November. Luckily Brad and Kelly could actually make it out sailing that Saturday. When they heard we were coming they quickly turned 'international parents in town for one night only' into 'babysitters' to look after little Mitch (after meeting him for the second time, only earlier that day)! It was a gusty shifty South Easterly which was tricky to sail in to say the least. Probably not surprisingly the racing was all over the place with BTR & rocky ride swapping the lead and Part Time and Lovers & Sinners bringing up the rear. The reaches were awesome, with the bow wave extending directly from the bow to my face! Hopefully next time there is an invitation race we will be a little more organised and a few more boats can make it to Mandurah and enjoy sailing in the beautiful water and the usual conditions that they have there.

#### **Olympian Welcome Home Function**

Just before the start of the season RPYC in conjunction with FSC and RFBYC hosted a welcome home for Olympic Gold medallists Elise Rechichi and Tessa Parkinson. Almost all of the Tasars (and the remainder of the WA yachting fraternity) turned up and had a great time celebrating the return of the medallists. It was a great night for encouragement and inspiration for everyone from sailing newcomers to old salts.

#### Tasar Events Coming Up!

### Victorian report

Christmas is fast approaching and Nationals so the next few weeks are important in honing your skills in a bigger fleet. Also, many of you have been busy fitting out your new boats and not had much time on the water, so make sure you are organised to come along and sail in the following events.

Sat 6 - Sun 7 December, Geelong Off-Beach Regatta & Traveller Trophy 4 Saturday 13th December, Mordialloc Short Course Championship & Traveller Trophy 5 Sail Melbourne is on 19-21 December at Sandringham: <u>http://www.sailmelbourne.com.au/events/</u>

### Bethwaite Regatta wrap

McCrae turned on a pretty interesting weekend for all those that attended the Bethwaite Regatta. Saturday saw 4 races held in a westerly breeze that started off around 15 knots for Heat 1 and built to 25+ knots for Heat 4. There were a number of new boats hitting the water for the first time on Saturday afternoon which made for some interesting stories. Great to see Rob and Nic making the trip south to do some reconnaissance for the Nationals in a few weeks time. Interesting concept doing a shake-down cruise in a new boat when its nudging 30 knots. At least they now know the rigging is sound, even if Nic had to climb the mast a few times (best if she tells the story I think.) Interested to hear Rob's comments that McCrae is rumoured to be "light and shifty". What do you think now Rob???

Sunday's wind was forecast to moderate and it did throughout the 3 heats held. Still pretty brisk at times but not nearly as strong as Saturday afternoon. The Douglii looked dangerously fast in the new boat but the racing was tight enough that lots of different boats all had a turn towards the pointy end. I think it was heat 6 where there was only about 100 metres separating the 2nd and 12th boat. Congratulations to Murray O'Brien and Glen Koffyfburg taking out the event overall. Class newcomers John Gibson and Monica Tonner came in second in a great effort. Good to see some new names popping up in the results.

### Vale Dawn Shand

Sadly, Dawn passed away while she and Bruce were visiting her family in Ireland earlier this year.

Those of us who were privileged to know her will always remember Dawn's warm, friendly approach to life, her vivacity, her ready laugh and her good company.

She is greatly missed by the Victorian Tasar community and our thoughts are with Bruce and his family.
