

43rd Tasar Nationals

26th Sep - 3rd Oct
2015

Townsville
North Queensland

Located on the beautiful tropical north coast of Queensland, Townsville is the gateway to the Great Barrier Reef, the rainforests of Magnetic Island and surrounds. Our CBD's skyline is dominated by the distinctive features of Castle Hill and Magnetic Island which lies just eight kilometers offshore. And Cleveland Bay compliments both, with warm flat water and steady breezes. Its a sailing paradise!
