“ 2016 Regatta in the Trees ” at Walpole

This annual event on the March Long Weekend now has our second biggest fleet each year, with 16 Tasars being part of the 99 boats at this year's regatta, and is expected to again have more at next year's regatta. The event is very well organised and run, in a friendly atmosphere.

The location of the accommodation and the sailing Club on the shores of the large sailing area, combine well for a great weekend of sailing and social activities.

The many prizes just for Tassar sailors at Walpole were provided by **Sly Boat Building & Repair Centre** who are **Tassar agents** providing all Tassar equipment, parts, boats, service and advice, Australia wide. Contact Martyn or Sue on 03 9580 2446 or 0418 507 586, at www.slyboatbuilding.com.au and email ilsly@bigpond.com

Lots of photos on our Facebook page in an album for this regatta.

Pot of Gold Regatta at Hillarys

The **Pot of Gold Regatta** was held on Saturday 27 February 2016 at Hillarys Yacht Club. The event continues to grow with the largest ever number of entries for the single and double handed class dinghies competing. The light winds and very hot temperatures combined to make challenging conditions, with only two races completed by some Classes and three races by others. The Tasars had mainly local entries and welcome visitors for next year.
